Chief Paul D'Agostino
1st Assistant Chief Mark McCabe
2nd Assistant Chief Sal Astarita

Dear Resident,

Welcome from your neighbors, friends and firefighters who serve the Croton Falls Fire District.

Fire and rescue services in your community are provided by the Croton Falls Volunteer Fire Department. We are an organization of men and women who volunteer our time and efforts for a common goal...to serve our neighbors. We typically respond to about 750 calls for service each year, including responses for structure fires, car accidents and fires, automatic fire and carbon monoxide alarms, storm responses, emergency medical responses and other emergencies and requests for service.

Have you ever considered serving as a firefighter? We are always looking for new members as volunteers are the lifeblood of our organization. Serving as a firefighter is a great way to get to know your community, meet new people and contribute your time and energy to a worthwhile and satisfying cause. Don't worry if this seems like a stretch to you...all firefighters started by taking the first step to join. We'll provide the equipment, training and camaraderie you'll need to make a difference.

To learn more about our department, please take a few minutes to review information on our website (crotonfallsfire.com) or stop at either of our firehouses at 1 Sun Valley Drive or 301 Titicus Road on a Monday evening when we typically have drills or meetings.

Sincerely,

Members of the
Croton Falls Fire Department
